# ABOUT US

Kingdom Magazine is a global digital promotional magazine. It is a magazine that is designed around synergic relationship currency. Therefore, it is not a subscription-based magazine.

The goal for the magazine is to highlight incredible individuals who are doing exceptional endeavors in the business community with a faith-based conscious. The articles that are written focus on an array of topics in the business and marketplace arena.

The target audiences are: entrepreneurs, small business owners, authors, professional speakers, coaches, stay-at-home moms, media, radio & television personalities, non-profits, and entertainers.
